MEMORANDUM FOR: Director
Advanced Research Projects Agency
Department of Defense
Washington, D. C.

ATTENTION: Director for Nuclear Test Detection

SUBJECT: Transmittal of CIA/BGI PN 64.2306B "Peoples and Activities in the Dushanbe Area"

REFERENCE: Your Memorandum Dated 12 October 1966, Subject: CIA/BI GR 67-5, "Peoples and Activities in the Ulan Ude Area"

1. Forwarded herewith are 25 copies of "Peoples and Activities in the Dushanbe Area," the last of 3 pilot studies requested by you in support of on-site inspection plans.

2. In preparing this final report, we have taken into account comments on the content and use of our first study contained in reference memorandum, as well as subsequent personal communication between Dr. Fryklund and members of our USSR Branch. We will appreciate your continuing to keep us informed about the use of these studies and about the development of inspection programs generally as they relate to geographic research on the USSR.

JAMES A. BRAMMELL
Director
